Dear Sir:

**Application for Patent Term Adjustment Determination under**  
**37 C.F.R. 1.705(d)**

Request is hereby made for reconsideration of the  
Patent Term Adjustment of 694 days as it appears that the  
calculation of USPTO delays pursuant to 35 U.S.C. §

Attorney Docket No.: KUZ-0022  
Inventors: Ito et al.

Page 2

154(b)(1)(A)(i)-(iv) was incorrectly based upon the date of April 22, 2005 rather than the correct date of March 11, 2005 on which the national stage commenced under 35 U.S.C. § 371 (b) or (f). See 1347 OG 50.

Applicants believe at least an additional 42 days should be added to the Patent Term Adjustment.

Recalculation of the patent term adjustment is therefore respectfully requested.

This patent is not subject to a terminal disclaimer.

As the complete patent term adjustment inclusive of three-year pendency is not calculated in the notice allowance, this Request under 37 C.F.R. 1.705(d) for recalculation of the patent term adjustment is believed timely.

A fee in accordance with 37 C.F.R. 1.18(e) is provided herewith.

Respectfully submitted,

  
Kathleen A. Tyrrell
